DELEGATES FAVOR CHURCH

FEDERATION IN NORWICH. Conservation Committee Gives the Plan - Organization Meeting on

Thirty-five men, representing ten churches, met in the auditorium of the Y. M. C. A. Monday evening to consider a federation of the Protestant churches of the city. Notices of the meeting were sent out to 21 churches, but owing to a change in the date of the meeting from Tuesday to Monday. the meeting from Tuesday to Monday, representatives from several churches were unable to attend. The meeting was culted as the result of suggestions of the conservation committee of the Men and Religion Forward Movement A. A. browning was chosen chairman and Frank H. Foss cierk.

E. P. Bishop explained the purpose of the meeting and read the following recommendations of the conservation committee:

The conservation committee of the finance committee on recommendation of the executive committee. ern Point is being put in readiness for representatives from several churches the season and the family will arrive were busble to attend. The meeting in a few days.

The conservation committee of the tee Men and Religion Forward Movement unanimonsity recommend to this convention the organization of a federation of the churches of Norwich and vicinity on some plint to be determined upon later. We feel that this is possible and can under present conditions be accomplished.

Rockville, May 29. Both the German and English leagues are interested in this convention.

Be accomplished.

For the following reasons we consider it most desirable:

First—A feleration of churches expresses to the world essential unity. They will mutually supplement and as-Second-It is permanent rather than

Second—It is permanent rather than translent.

Thirl—It will bring together a strong, dignified body of men having the united churches as their support.

Fourth—It recognizes the common responsibility for common duties of churches located in the same territory.

Fifth—It furnishes a convenient medium for expressing the Christian sondium for expressing the Christian senwork successfully without a strong

moral support.

Sixth—It is not an ecclesizatical body, it will have no control over the churches. It simply afferds a means by which the spirit of brotherhood alfuller expression and more systematic work be done.

Seventh-We feel that the federation Tenth street.

It was voted that the meeting be

recorded as favorable to such a federation. A constitution which had been stated. prepared was presented, considered by sections, and a number of change were made before it was adopted.

es of the city for consideration. The churches will be asked to ratify the commissioners, and 500 copies were constitution and to send delegates to an organization meeting to be held June 2 probably in the Broadway Congregational church.

In the samual report of the the police commissioners be requested to make their recommendations before the council, as the thought it ought to be a matter of public record. Henry Sands for violating the promibition law and also sent him to jail for 270 days. If there is any doubt lingering in your minds that prohibition does not prohibit, write Henry Sands in the Salina pail and get his views on the subject."

Another one with a good moral follows:

"A poor woman stood near the magistrate who was hearing the case. Thrunk—third arrest." The prisener was ber husband. It was quickly decided, but the pathetic face of the woman touched the judge and he said to her. I am sorry, but I must lock your him band up." There we, wisdom in her sad and prompt reply: Your honor, wouldn't if be better to lock up the sulones and et my husband go to work."

It was voted to send \$5. to the

It Teday.

1,867.82 May Baskets Containing \$5 Gold Pieces

Presented by Friends.

While spending a few days as the guest of Norwich friends, Mrs. Ellanbeth B. Iv as was surprised with a May basket from the former committee of the Sheltering Arms as a token of their appreciation of her faithful and effigurent services in that institution as matron. Underneath the beautiful flawers were concealed several dainty boxes, each containing a \$5 gold piece.

The gift was made Saturday at the home of Miss Lathrop.

The supreme count of errors comes in here todus for the continuation of the April term, having for the continuation of the April term, having for the
